

# UNITED PERSIAN \* QUARTERLY

VOLUME VI, NO. 2

THE OFFICIAL PUBLICATION OF THE UNITED PERSIAN SOCIETY, INC.

JULY-AUGUST 1971

## CFA Annual

The 1971 CFA Annual has come and gone. It was a beautiful week in San Francisco with not a trace of fog, warm daytime temperatures, and cool evenings. Many of the delegates arrived early enough to take advantage of the weather and see the attractions of the San Francisco area, the wine districts to the north, Muir Woods with its towering redwoods, Golden Gate Park containing among other things the beautiful Japanese Tea Garden, Fishermans Warf, Chinatown, North Beach with its night life, and countless other attractions. It was impossible in so short a time to see everything, leaving the delegate with a feeling that someday he would have to return to "that city by the bay". Along with the pleasures of touring there was also work to be done, the business of the Annual meeting.

Presentation of reports of standing committees was the first order of business. The reports had all been printed in the CFA Quarterly and all were accepted by the delegates. The report of the CFA Awards Committee included the presentation and announcements of the CFA All Star Award winners. These awards will be printed in full in the August Cats Magazine. Many of the award winners were United Persian members including Mr. and Mrs. Raymond Klotz, owners of Vi-Jon Peachies Girl of Ol-Ray, CFA's **Best Cat**. Olive and Ray Klotz are active members in UPS and each year assist in putting on the annual UPS All Longhair show in Racine, Wisconsin.

### Constitutional Amendments

Constitutional Amendments which were passed and become effective immediately included amendments to:

1. Allow judges to be salaried employees of CFA (passed by a narrow margin). This will allow judges who perform other duties for CFA (such as award scoring, committee heads etc.) to receive remuneration. This could not previously be done.
2. Require clubs to get delegate forms into Central Office on time or lose their vote at the annual meeting.
3. Change boundary of Canadian portion of North Atlantic Region.
4. Allow clubs to notice constitutional amendments directly (as opposed to going through Central Office).

Amendments which failed to get the required two-thirds vote included:

1. An amendment to split the Northwest Region into two separate regions.
2. An amendment to change the boundary between the Midwest and Gulf-Shore regions.
3. A proposal to elect an alternate regional vice-president.
4. An amendment to increase club dues to \$50.00 per year. (This amendment would have eliminated a good number of paper clubs, something annual delegates are not prone to do).

## UNITED PERSIAN CUP LIST AWARDS

The United Persian Society happily and with great pleasure announces the winners of its annual Cup List competition. Each year a greater number of shows are scored. For the past show season, UPS sponsored 32 shows for the cup list scoring while during the previous season, 27 shows were sponsored. Several winners of UPS awards were also winners of similar awards in the CFA All Star Awards. Gr. Ch. Vi-Jon's Peachie's Girl of Ol-Ray, CFA's Best Cat is also the Best Cat in the UPS Awards. A well deserved win by a beautiful cat. Peachie won the solid color division in last year's UPS Cup List competition.

Other repeat winners include Araho's Moonmist, last year's best Black Smoke female, who moved up to Best Cat in the Smoke Division, and Whyt-Clif's Katleen who is a repeat winner as Best Cat in Premiership. All divisional winners will receive the usual engraved bronze plaque which has been awarded for the past several years. The color class winners each receive a certificate to commemorate their win. Classes not listed were void because of lack of competition.

To all winners - congratulations!

**Best Cat - Best Solid Color:** Gr. Ch. Vi-Jon Peachie's Girl of Ol-Ray, Blue Female, Mr. & Mrs. Raymond Klotz, Waukesha, Wis.

**Shaded Division:** Chayzar Takoma, Chinchilla Silver, Male, Mr. & Mrs. J. J. Franco, Milwaukee, Wis.

**Smoke Division:** Araho's Moonmist, Black Smoke, Female, Mrs. Thomas O'Hara, Cedar Grove, N.J.

**Parti-Color Division:** Penthouse Blue Miss, Blue Cream, Female, Mercedier de Freitas Goodwin, Chicago, Ill.

**Tabby Division:** Co-Mc's Macaroon, Brown Mackerel Tabby, Male, Mrs. C.A. Coughlin, Houston, Texas.

**Himalayan:** Hima Tab Pogo, Blue Point, Male, Mrs. LaVerne Grusell, Ashland, Ohio.

**Premier:** Whyt-Clifs Kat'leen, Blue, Female, Mrs. Nancy Dover, Evanston, Ill.

**Kitten:** Penthouse Monique, Blue, Female, Mercedier de Freitas Goodwin, Chicago, Ill.

### Color Class Winners:

**Blue Eyed White Male:** Illini Pines Achilles. O: James McArthur and Byron Sumner.

**Copper Eyed White Male:** Vaganond's Sargeant York O: Helen Callaghan.

**Copper Eyed White Female:** Jandy's Dumpling of Wind Hills O: Joan Youtsey.

**Odd Eyed White Female:** Castilia Star Baby of LFlo-Sher O: Mrs. E. F. Cox.

**Blue Male:** Glenorchy Breagh of Jadu O: Fredrick S. Miller.

**Black Male:** Stonybrook Matt Helm of Kyle O: Mr. & Mrs. John Donaldson.

**Black Female:** Fanci-Pantz Petti Girl of Araho O: Mrs. Thomas O'Hara.

**Red Male:** Stonybrook Climax of Sundown O: Mr. & Mrs. Joseph L. Biasone.

# UPS NEWS

## IMPORTANT ANNOUNCEMENT FOR ALL UPS MEMBERS.

This issue of the United Persian Quarterly is Volume VI, Number 2. At the conclusion of Volume VI the Quarterly will cease to be published. This means that Volume VI, Number 4 will be the last issue you will receive. It is with regret that we make this announcement, however, the circumstances leave no other alternative. The basic reason is that the present editor is no longer able to devote the necessary time required to continue publication. For the past two years the Board of Directors of the United Persian Society has attempted to solve the problem but all efforts have met without success.

This does not mean that the United Persian Society will cease to exist or function. It will continue as an active club, putting on an annual show, and working for the betterment of CFA and of longhaired cats. Some modifications of UPS activities will of course be necessary. These will involve essentially the UPS Cup List and UPS show sponsorship policies. For the 1971-72 show season there will be no changes. UPS will continue to sponsor shows at no fee, will furnish a Best Cat rosette, and will score the show for the usual cup list awards. The final issue of the Quarterly (Vol. VI, No. 4) will be published at the conclusion of the next show season and will announce the cup list winners for that season. Future policies affecting these activities for the 1972-73 season will have to be formulated by the UPS board and will be announced at a future date.

Membership in UPS will still be open on a national basis and hopefully some plan can be devised to issue periodic news letters to keep members informed of UPS activities.

### UNITED PERSIAN SOCIETY ALL LONGHAIR SHOW

The United Persian Society is proud to present its fine roster of judges for its 6th ANNUAL ALL LONGHAIR SHOW to be held December 4th and 5th, 1971, and to give a short resume of their experience in the breeding of cats and as members of the CFA Judges Association.

**Barbara Maier** (Mrs. Richard) Barbara is an all-breed judge and an old friend and Charter Member of the United Persian Society. She has judged our show in years past and we are most fortunate to have her services again. Barbara has been judging since 1966 at which time, according to Barbara, one had to have at least 7 years breeding experience to qualify for the judging program. Besides her membership in the United Persian Society,

### QUARTERLY STAFF

Editor-in-Chief: Mr. James S. Frankenberger, 6316 Walnut Ave., Downers Grove, Illinois 60515  
Associate Editor: Mrs. Richard Maier, 912 Highland Lane Glenview, Illinois 60025  
Contributing Editors: Miss E. E. Sellar, Selhurst Farm, Grafham, Bramley, Nr Guildford, Surrey, England  
Dr. Richard Maier, Glenview, Illinois  
Editorial Assistant: Mrs. J. S. Frankenberger  
Staff Correspondents: Miss Nancy Gurley, Mrs. William Faville, Mrs. Joseph Alexander, Pat and Sherra Horan  
Historical Consultant: Miss Dorothy Mason  
Show Reports: Mrs. Henry Pillard  
Diamond K Lane, Joliet, Illinois 60433  
Circulation: Mr. & Mrs. G. O. Volke, 4147 Konrad, Lyons, Ill.  
Advertising: Mrs. G. O. Volke, 4147 Konrad, Lyons, Illinois  
Printing: Peter Piper Press, Warrenville, Illinois 60555

Changes in address should be sent to the Circulation Manager at least one month in advance of publication.

### EDITORIAL POLICY

It is to be understood that all material herein printed is not necessarily the belief or sentiment of the Editors or of the membership of the United Persian Society, Inc. Unless otherwise stated, all material becomes the property of the United Persian Quarterly and reproduction must first be approved by the Editor or the author reserving property rights. The Editors reserve the right to refuse or edit any copy.

### UNITED PERSIAN SOCIETY BOARD

President, Mrs. Jess Franco  
Vice-President: Mr. J. S. Frankenberger  
Treasurer: Mr. Kenneth Madison  
Corresponding Secretary: Mrs. J. S. Frankenberger  
6316 Walnut Ave., Downers Grove, Illinois 60515  
Recording Secretary: Mrs. Roe Alexander  
Board Members at Large: Mrs. G.O. Volke, Mrs. Richard Maier

she is also co-editor of the Society's Quarterly, and holds membership in the Mid-America Persian Club, the Archangel Society and National Bi-Color Club. She is also co-author with her husband of a book entitled "Comparative Animal Behavior". She specializes in Persians, particularly blacks and torties, but has bred Abbys, American Shorthair and Siamese.

**Genevieve O'Neill** (Mrs. Lester) Gen has been judging since 1943 and of course was a breeder of a good number of years before that time. She specializes in Persians but has also bred Siamese in the past. An active member of CFA clubs since 1941, Gen O'Neill is presently a member of the United Persian Society and the Milwaukee Short Hair Club. She has also served as a CFA Board Member, Secretary of CFA, Regional Vice President for the Mid-West Region, and Secretary-Treasurer of the CFA Judges Association.

**Jeanie McPhee** (Mrs. Frank) Mrs. McPhee started her judging career in 1960 but was active in CFA clubs for 10 years prior to that time. She presently holds membership in the Houston Cat Club, Inc. is an honorary member of Santa Monica Cat Club, Stars & Strips Tabby and Tortie Club, and the Silver Rebels. Gulf Shore Region RVP 1965-1968, Chairman of CFA Standards & Show Rules 1966-1967, Show Rule Chairman 1966-1968 and Sec'y.-Treas. CFA Judges Association 1970. Jeanie is a specialty judge and is presently breeding Persians, Siamese and Manx.

**Miss Donna Jean Thompson.** Donna is new to the judging program, having just started this year in March. She has loved cats since she was 5 years of age and started breeding in 1964 when still a teenager. Donna has been a member of the United Persian Society for quite a few years and an avid worker not only for UPS but in all phases of the cat fancy. Donna is also a member of the following clubs: North Shore Cat Club, Chicago Short Hair Cat Club, All Longhair (except Solid Color) Club, Mo-Kan Cat Club and the Abyssinian Cat Club of America.

Donna's specialties at present are Persians and Abbys. She has also bred Siamese and American Shorthairs. Her cattery name is Jeannel - breeder of Jeannel's Old Spice, blue Persian male CFA's Best Longhair 1969-1970, and many other quality Persians which have placed somewhere in the top 20 for the past 4 years, winning many regional awards.

We welcome Donna as one of our judges for our next show with great respect for her ability to judge longhairs.

Show information for the December 4-5, 1971 show may be obtained from the entry clerk:

Mrs. Nancy Gurley Wallens  
936 Waukegan Rd.  
Deerfield, Ill. 60015

RA

### UNITED PERSIAN SHOW SPONSORSHIP

As announced previously, the United Persian Society will sponsor a ring in your show free of charge, and will supply a Best Cat rosette for open competition. In addition your show will be scored for the annual UPS Cup List competition for the 1971-72 season. If you would like to have an UPS ring at your show write the secretary for a show license. Last season the United Persian Society sponsored rings in 32 shows around the country. For the coming season the following shows have scheduled UPS rings.

Windy City Cat Fanciers.....	Sept. 4-5, 1971
Indianapolis Feline Association, Inc.....	Sept. 18-19, 1971
Garden State Cat Club.....	Sept. 18-19, 1971
Salt City Cat Club.....	Sept. 25-26, 1971
Memphis Dixieland Cat Club, Inc.....	Oct. 16-17, 1971
Virginia Cat Fanciers.....	Oct. 23-24, 1971
Cat Fanciers of Arkansas.....	Oct. 23-24, 1971
Twin City Cat Fanciers, Inc.....	Oct. 30-31, 1971
Wichita Cat Fancy, Inc.....	Oct. 30-31, 1971
Bougalie Rebels Cat Club.....	Nov. 6-7, 1971
Cornhusker Cat Club.....	Nov. 6-7, 1971
Cuyahoga Valley Cat Club.....	Nov. 13-14, 1971
Magic City Cat Club, Inc.....	Nov. 13-14, 1971
United Persian Society, All Longhair Show.....	Dec. 4-5, 1971
Long Island Cat Club, Inc.....	Dec. 4-5, 1971
Cat Alliance of Tuscaloosa.....	Dec. 4-5, 1971
Canton HOF Cat Club.....	Jan. 8-9, 1972
Moonport Cat Club, Inc.....	Jan. 8-9, 1972
Oregon Cat Fanciers, Inc.....	Feb. 5-6, 1972
Cincinnati Cat Club, Inc.....	Feb. 12-13, 1972
Miami Fla. Cat Fanciers, Inc.....	Feb. 19-20, 1972
Lincoln State Cat Club.....	Feb. 26-27, 1972

# RABIES

by JOHN HANOVER Jr. D.V.M.

Rabies is a disease caused by a virus and has been found in all mammals and most birds. Like all viruses, rabies exists within the cells of the infected animal and is dependent on those cells for its multiplication. The rabies virus has an affinity for neural tissues and salivary gland tissue. Virus shed in the saliva can be destroyed by alcohol, phenol, and formalin, but is resistant to ether. If the saliva is dried the virus will be inactivated in a few hours. The virus can be kept viable for several weeks in refrigerated tissues.

The most common method of rabies transmission is through a bite wound, at which time saliva carrying the virus is introduced into the body. The bite itself is important only in that it breaks the skin and thereby enables the virus laden saliva to enter the body. The same thing can be accomplished if the skin has previously been broken by cuts, scratches, etc. and then that fresh (less than 24 hours) wound is contaminated with the saliva of a "friendly" animal that licks your hand, or face, or drools on you while eating out of your hand. Although rabid animals often become violent, many will go through stages during which they become unusually friendly, or appear to be listless and sick, making it easy to approach and touch wild animals which would otherwise quickly run away. It has been shown that rabies can be transmitted in bats without actual contact, but this has not yet been demonstrated in other animals.

Once the virus enters the body, it multiplies at the site of infection for a few hours and then spreads along the nerves to the spinal cord and brain. After further multiplication in the brain the virus spreads to the lymph glands and salivary glands. The incubation period (the time between the introduction of the virus and the appearance of clinical signs of the disease) varies depending on the species, the severity and location of the wound, and previous vaccination against rabies. The possum is highly resistant; man fairly high; dogs, cats, and skunks of average susceptibility; and the fox, coyote, and cow are highly susceptible. Multiple or severe wounds result in more virus introduced at the time of the bite and a shorter incubation period. Since the virus follows the nerves from the wound to the brain, bites around the head and neck result in symptoms of disease faster than wounds on the hands or legs simply because the virus started closer to the brain. Animals which have been vaccinated against rabies, but not currently, will generally have a longer incubation period than those which have never been vaccinated. The incubation period for man is from 14 to 60 days or more, occasionally a year or longer. The incubation period in dogs is 20 to 40 days, and in cats 14 to 60 days, although in specific cases these may be extended by many weeks.

Once clinical signs appear, most animals will die in 4-6 days. Rabies virus is present in the saliva of dogs and cats, and therefore transmissible, for only 1-5 days prior to the onset of symptoms and for a number of days during the disease. The bat is a notable exception, being able to carry and transmit rabies without becoming ill.

Fortunately, the long incubation periods, especially in man, allow ample time for diagnosis in the suspected animal and treatment of the exposed person before they show symptoms. In currently vaccinated animals a booster shot is sufficient. Rabies is considered to be 100% fatal once clinical signs of the disease appear. Although recently there was an apparently well documented case of human rabies in which the patient survived, I still don't like the odds.

It is because of both the severity of the disease and the necessity of diagnosing rabies in the biting animal rather than from symptoms in the victim that there are so many state, county, and local regulations concerning rabies immunization, stray animals, and disposition of biting animals. In Illinois, all dogs 4 months of age or older must be properly inoculated against rabies and must be given booster vaccinations as prescribed by law, every 1 or 3 years depending on the type of vaccine used. If an unvaccinated dog or other animal bites a person that animal "must be confined and observed by a licensed veterinarian" for a 10 day period. However, if that animal was properly vaccinated prior to the time of the bite the Rabies Inspector may, at his discretion, allow that animal to be confined in the house of its owner for the 10 day period with an examination by a licensed veterinarian at the end of that period. "It is unlawful for any person having knowledge that any person has been bitten by a dog or other animal to refuse to notify the (Rabies) inspector promptly." "It is unlawful for the owner of such dog or other animal to sell or give away or otherwise dispose of any such dog or other animal that is known to have bitten a person until it

is released by the Rabies Inspector or his authorized agent." The above information was taken from the "Illinois Rabies Control Act" and states only the minimum requirements. Counties and local authorities can and do make further limitations on dogs, cats, and other animals regarding their vaccination and control. Check with your local authorities for specific regulations in your area.

Q. What should I do if my pet is bitten?

A. Wash the wound immediately with soap and water and rinse thoroughly with water. Do not enlarge the wound or cause additional tissue damage. If the animal is owned, request that it be confined at home for the next 10 days and that you be contacted should it show signs of rabies. Call your veterinarian.

Q. Is there still any rabies around?

A. For the months of March, April, and May of this year there were 113 laboratory confirmed cases of animal rabies and 10 clinical cases in Illinois. Of these, five were canine, one feline, and a great majority were skunks. Also, on April 23, 1971 a six year old boy died of rabies, presumably from a dog bite he received while in Mexico. The dog died 3 days later but was not tested for rabies. The boy became ill 71 days later.

## UNITED PERSIAN CUP LIST AWARDS (Continued)

Red Female: Glenorchy Dinnsear O: Mrs. F. W. Clarendon.

Cream Male: Woodkiff Fan Tan of Castilia O: Marcena Myers.

Cream Female: Iowana Cokie of K'Lane O: Mr. & Mrs. Hank Pillard.

Chinchilla Female: Mata Blu Mame O: Miss Allison Norwood.

Shaded Silver Male: Kitza Dukes of Marlboro O: W H. Kelly.

Shaded Silver Female: Herondale Wee Lassie O: Mrs. Louise Heron.

Shaded Cameo Male: Hell-Cats Spector O: Mr. & Mrs. Roy Heller.

Shaded Cameo Female: Mar-Geo Pink Fulfillment. O: Mr. & Mrs. Robert Colby.

Cameo Smoke Female: Citadel Serenade O: Charles A. Begnaud.

Brown Classic Tabby Male: Silver Moth Lil Owl of Lezzub O: Mr. & Mrs. Harold Buzzell.

Brown Classic Tabby Female: O-Wen's Tango O: Mrs. C. A. Coughlin.

Blue Tabby Female: Wynden's Blue Bonnet O: Mrs. J. Keith Pevey.

Red Mackerel Tabby Male: Kyle's Matthew O: Mr. & Mrs. John Donaldson.

Red Classic Tabby Male: Wynden's Sherman O: Laurie Pevey.

Tortoiseshell: Woodkiff Calypso of Castilia O: Marcena Myers.

Seal Point Himalayan Male: Co Co's Challenge O: Carolyn Owens.

Seal Point Himalayan Female: Nevah Tep's Vogue O: L. Keely and B. Teron.

Blue Point Himalayan Female: (tied) Chestermere Chen-Sa of Bob Hill O: H. Horowitz & R. Graci. Ambih Noh Noh of Cat Laur O: Laurie Stevens.

Best Neuter: Pinky's Lil Daniel O: Mildred Demmel.

## CFA ANNUAL (Continued) Resolutions

Continuing on, the annual delegates took up consideration of resolutions. Resolutions are proposals by various CFA clubs which are considered by the annual meeting delegates and are referred to the CFA Board either favorably or unfavorably (or occasionally with no recommendation). The following resolutions (numbered as they were numbered in the CFA Quarterly Vol 2, No.2) received action as indicated:

12. To allow only Best and 2nd Best shows (no opposite-sex). Unfavorable recommendation. (This show is optional now for any club that desires to use it).
13. To allow Best Novice and Open Premiership awards. No recommendation.
14. To allow entry refunds. Unfavorable recommendation.
15. To Allow Siamese color class champions to receive grand points. Withdrawn.
16. To allow Siamese color classes to be reclassified as divisions. Unfavorable recommendation.
17. To require white lights for judging ring. Favorable recommendation.  
To recognize Cameo ASH. Favorable recommendation.  
To recognize Cameo Manx. Favorable recommendation.  
To recognize Cameo Rex. Favorable recommendation.  
To recognize Cameo Exotics. Withdrawn (already recognized)
18. To reclassify bi-color and calico longhairs into a separate breed. Unfavorable recommendation.
19. To recognize "Golden Persians". Unfavorable recommendation.

(Continued, Page 5, Column 2)

# THE CAT FANCY IN ENGLAND

From Miss E. E. SELLAR

I am sorry that the postal strike in this country upset my notes being sent in January but the Post Office advised it was unlikely to be sent out so I felt it was advisable for me to keep them, and re-write with additional news in order to bring them up to date. Though results of some shows are still not available and show managers have not been co-operative in sending marked catalogues, I will mention the shows which I feel will be of most interest.

In November the Blue Persian Society held their championship show at the Chenil Galleries in Chelsea London. The entries were up on last year, and the committee had worked hard to make it a successful show. Best in Show was won by Mr. Newsome with Gaydene Gloria a female bred by Mrs. L. McVady. The Best opposite sex was won by the breeder Mrs. B. Melcalf's Peela Caesar who was given an excellent report by the judge Mrs. E. Denton. Best Kitten, Mrs. E. Brine's Avernoll Kimella, F, who is the breeder and owner. Best opposite sex Mrs. M. Graham's Marmsbury Theseus, who is also the breeder and owner. Both are promising kittens. Best Neuter, Misses Marshall's, Pr. Marmaduke of Pensford.

It was nice to see Mrs. C. Dugdale judging and she had big entries in her classes. She is such a busy person with various activities these days.

The National Cat Club held their show on the last Saturday in November. The entry was up on last year, 550 long hair cats and kittens not including litters. A new system will have to be found if these numbers are to continue as it is impossible for judges to judge all the large classes they have, some having over 40 in a class. Also, more space is required for them to move about when judging. Our judges are due more consideration, not forgetting our beautiful cats who make the show. The following are all the Challenge Certificate winners, among them some very worthy and outstanding cats:

**Black:** Mrs. L. Shepard, Deebank Gay Cavalier, M, Sire Ch. Deebank Mascot, Dam Charteuse, Breeder, Miss M. Bull.

**Blue-eyed White:** Mrs. N. Rosell, Ch. Bruton Snokat, M, Sire Redmire Yashek, Dam Bruton Ragazza, Breeder/Owner.

**Orange-eyed White:** Mrs. R. Silverman, Ch. Camber Valient, M, Sire Ch. Guilden Snow King, Dam Camber Loveliness.

Miss E. Sellar, Coylum Marcia, F, Sire Ch. Coylum Marcus, Dam Ch. Pilgrim Mayflower, Breeder/Owner.

**Blue:** Mrs. C. Ashurst, Marmsbury Lysander, M, Sire Ch. Borrowdale Romeo, Dam Avernoll Pixie, Breeder, Mrs. Graham.

Mr. L. Newsome, Gaydene Gloria, F, Sire Gaydene Michael, Dam Ch. Dalan Amanda, Breeder, Mrs. McVady.

**Cream:** Mrs. N. Warnock, Honeymist Cream Conquest, M, Sire Honeymist Cream Chieftain, Dam Ch. Honeymist Miss, Breeder, Mrs. Howes.

Mrs. J. Thompson, Primrose of Pensford, F, Sire Ch. Wildfell Ploughboy, Dam Ch. Opal of Pensford, Breeder/Owner.

**Blue-Cream:** Mrs. J. Beck, Honeymist Tantara, F, Sire Ch. Willanbet Eddy, Dam Honeymist Tittany, Breeder, Mrs. Howes.

**Smoke:** Mrs. E. Hoyle, Ch. Hardendale Nicholas, M, Sire Ch. Orion of Pensford, Dam Beaubale Conchita, Breeder/Owner.

Mrs. E. Hoyle Hardendale Vanessa, F, Sire Dominic Giovanni, Dam Ch. Wildfell Cathy, Breeder, Mrs. K. Wright.

**Silver Tabby:** Mrs. D. Light, Ch. Karnak Mailoc, M, Sire Ch. Wilmar Wade, Dam Ch. Wilmar Whimsy, Breeder Mrs. Chapman.

Mr. R. Chapman, Ch. Wilmar Whimsy, F, Sire Ch. Dorstan Darius, Dam Ch. Widdington Thistle, Breeder, Mrs. Greenwood.

**Brown Tabby:** Mrs. P. Absalom, Ch. Brynbuboo Easter Girl, F, Sire Penkvale Oberon, Dam Ch. Trelystan Trinket, Breeder/Owner.

**Red Self:** Mrs. K. Emslie, Red Ranald, M, Sire Ch. Mooncoin Dante, Dam Susans Samantha, Breeder, Miss. S. Mylne.

**Red Tabby:** Mrs. D. Thorpe, Ch. King Billy, M, Sire, Ch. Cherry of Carne, Dam Daddled Dawn, Breeder, Miss Wells.

**Chinchilla:** Mrs. C. Philbrick, Ch. Bonavia Roberto, M, Sire Ch. Bonavia Contenta, Dam Bonavia Capriola, Breeder, Mrs. Turney.

Mrs. E. Hunt, Rozel Petite Fleur, F, Sire Ch. Bonavia Deonair, Dam Bonavia Manetta, Breeder/Owner.

**Tortoiseshell:** Mrs. L. Shepard, Willowglen Lotus Blossom, F, Sire Ch. Startops Sans Souci, Dam Petite Fleur of Carne, breeder/Owner.

**Tortie and White:** Mrs. N. Woodfield, Ch. Pathfinders Nightlight, F, Sire Pathfinders Moonraker, Dam Pathfinders Twilight, Breeder/Owner.

**Colourpoint:** Mrs. F. McLellan, Beaumist Jacaranda, F, Sire Ch. Niobe Shere Khan, Dam Ch. Osiris Nefertiti, Breeder, Mrs. Nicholas.

Mrs. K. Ryan, Cobden Shamus, M, Sire Mingchiu Kim, Dam Athlow Fair, Breeder/Owner.

**Birman:** Mrs. E. Fisher, Praha Hu-Tsung, Sire Ch. Praha Sik-Kim, Dam Ch. Osaka de Lugh, M, Breeder/Owner.

The kitten classes were large, but many of them needed more show preparation, though some of the outstanding kittens are showing great promise and more will be heard of them.

Best in Show at the National Cat Club show was Mr. Newsome's Gaydene Gloria. Best Kitten, Mrs. D. Cunis' Merry Ptolmy, a most beautiful colourpoint and so nice to see breeder/owner winning. Most felt that this kitten deserved all the high honours to be obtained. Best Neuter, Pr. Deebank Tahzib, owned by Mr. Greenlees and bred by Miss M. Bull, another deserved win.

The display of well known cats on exhibition should have been given more space and prominence as exhibitors had gone to a great deal of trouble and time to decorate the pens to show their beautiful cats. With the narrow gangway the general public couldn't see them to advantage. Ch. Coylum Marcus lead the display and a huge crowd developed round him going on to see Ch. Wiswell Oriel (Orange eyed white), then the famous Ch. Orion of Pensford, who certainly showed what a blue should be. Representing the colourpoints was Ch. Chestmere Copplestone. Among the chinchillas were the three Pasha Shebba cats. Next to them, Ch. Sonato Sovrano, and the smoke, Sonato Vivo. Television cameras took film of those mentioned first, some of the reels going overseas. Marcus also appeared on the news television for country as he had helped with publicity.

The Cheshire Cat Club held their championship show on Dec. 12th and inspite of the threatened power cuts they managed to put on a most successful show.

Best L.H. in Show was Mrs. D. Hunt's Willanbet Apollo, a very beautiful blue female, breeder Miss Williams. Best Kitten, Mrs. R. Silverman's Helma Isabella, orange eyed white, breeder/exhibitor. Best Neuter, Mr. L. Hreelee's Pr. Deebank Tahzib, a lovely red tabby, breeder Miss M. Bull.

I was sorry to hear from Mrs. Pews that her very lovely Ch. Tewhit White Crest has died from kidney trouble. He will be a great loss to breeding, and was one of our best studs. He did sire before he died a very good blue-eyed white which should do well and be a great asset to the breed. Tewhit Crestelle won the kitten class and Tewhit Tricosa a some of White Crest won 2nd at the National.

Miss Bryce told me after she had finished judging at the National that her very beautiful Ch. Glenbury Sparkler had died and breeders in the north have suffered a very great blow as he was an excellent stud. He was truly a magnificent white and I only wish we could see more like him.

On boxing day the police approached us to help in their enquires regarding Miss E. H. Morony of Ealing who had been found dying from a fall in her hall, though taken to the hospital she died soon afterwards. Sympathies go to her sister in Southern Ireland. The late Miss Morony had the best red tabbies in the country. They have much of the famous Hendon breeding in them. Unfortunately, due to ill health and bad eyesight, she had been unable to come to shows or look after the cats as they should have been. As soon as we heard about Miss Morony we told the police we would take over her cats and they are here being nursed back to health and condition for breeding again. They are seen regularly by my Vet and they are having a special diet prescribed by him, and I am glad to say they are recovering. I hope later to breed from some of them. For colour there is no equal, they are the deep red and have such excellent eye colour. The late Miss Morony was one of the oldest breeders in the Cat Fancy. She never allowed her studs to be at public stud but she said that some of my red queens mated to her studs would produce reds of very deep colour and type which would be hard to beat. Now we must wait for this progeny. If the police hadn't come here that strain would have been lost for all time, though it has given us extra work we are glad to have been able to help save this breed. They have their own heated cattery over looking green fields and the animals on the adjoining estate, which they enjoy watching. Our other cattery is on the otherside of the house but there are always people around both.

Early in the new year we heard that Miss E. Langston had died from a heart attack. She had been ill for sometime. Her prefix, Allinton, is known all over the world, especially for the chinchillas of which she did a great deal in setting the standard. The Chinchilla, Silver Tabby and Smoke Cat Society, which at over 80 she still continued as secretary till her death, will now miss her greatly for all the knowledge she had on these breeds. Miss Langston had been a well known and popular judge until her accident a few years ago. Many pedigrees will show Allington breeding for some years to come.

The postal strike has caused many clubs to postpone their ballots for delegates and committee, and also the holding of meetings which will result in the A.G.M.'s being later and nearer to-gether.

A great deal of discussion is going on in and out of the council about the proposal for a new classification of cats and that they be in groups. It will certainly take time to resolve

suitable categories for them.

The Council has just announced they have increased the charges for prefixes, registrations, transfers, and other items.

A national newspaper has run a competition in which live animals are given as prizes, among them cats and kittens. A small group of cat breeders got together and tried, along with the R.S.P.C.A. and other big organizations, to get this stopped. A petition was organized and many cat breeders have signed it. An attempt is being made to get a Private Members Bill through Parliament. The thought of the homes some of the cats and kittens could go to fill one with horror. Certain commercialism has gone too far this time. In advertising protection is also needed. This is what has led to so many cats being turned out from their homes and abandoned.

The Southern Counties Cat Club held their championship show on January 28th at the Royal Horticultural Societys hall in London which is a very good hall for light and space. Mrs. M. Johnson was show manager and one can always look to this being a happy well run show. The judges expressed their pleasure in having adequate time to judge each exhibit. Best L.H. adult, Mrs. J. Crookhart's Donbank Baby Doll, orange-eyed white, Breeder, Mrs. Ashton. Best Kitten, Mrs. M. Hall's, Alcmund Justine, blue. Best Neuter, Misses E. & M. Marshall's, Pr. Marmaduke of Pensford.

Mrs. M. Boulton, one of our popular judges for whites and blues, was judging white kittens and she told me she had some very promising ones in her classes. Certainly several new owners were showing but I hater still have to learn more about show preparation. Whites are not easy to show, especially if one has had a long journey. Mrs. Boulton has bred some lovely whites and blues and I wish we saw more of her cats on the show bench. She and her husband do so much in helping at shows.

The Notts & Derby Cat Club championship show was held in Leicester on February 27th, which was their Silver Jubilee, and from all accounts a most successful show. The postal strike had made for certain amount of difficulties but the show manager, Mrs. Gee and the Chairman Mrs. I. Hancox, abely overcame them and saw that all had an enjoyable day. The best L.H. adult, Mrs. E. Hoyle's Ch. Hardindale Nicholas, a very beautiful smoke. Best L.H. kitten, Mrs. M. Graham's Marmsbury Helen, a gorgeous kitten with excellent type. Both of these were exhibitor bred.

Mrs. Plews did well with her whites the blue-eyed white, Tewit White Crestelle won a championship. She has lovely deep blue eyes with such good type and in my opinion is one of the best females seen for some years. Tewit Tricosa won the male orange-eyed class. He is an outstanding cat and has a very long coat with nice cobby body. The winning female was Mrs. Ashton's Amanda. In the class for blacks Mrs. L. Shepherd won with her male Deebank Gay Cavalier. The female, Misses Mulvey and Nobles Chadhurst Black Rosebud. Sorry but to date no more results.

The Wessex Cat Club held their championship show in the Town Hall Bournemouth on March 6th. Mr. and Mrs. Chapman were the show managers and they again made it a very successful day and a happy show. I was sorry not to be there as it is one of the shows I like but my schedule was held up by the postal strike. Anyway one of our studs, Ch. Pilgrim Eudo progeny did well in the kitten class, his breeder tells me.

The Best L.H. adult was Mrs. Hall's Alcmund Tosca, a blue which is bred by her, the sire Ch. Camber Caprice, dam Damask Rose of Dunesk. Best Kitten, Mrs. J. Hogan's Snowwhite Prince Charming, orange-eyed white, sire Ch. Snowwhite Herald dam, Ch. Snowwhite Jewel. Mrs. D. Cunis's Merryrn Ptolemy won a championship and was taken up for best in show. He certainly ran the winner very close. He is indeen among one of the best colour-points and more will be heard of him. He is typey with lovely eye colour. Mrs. M. Bishops Lecreme Arcturus, a blue gained another championship under Mrs. Brunton. He won first every time shown as a kitten and the first time entered as an adult at the Southern, Mr. Tomlinson gave him his first certificate. I heard yesterday that he gained his third at Croydon which makes him a Full Champion at under a year. He is really a lovely cat with long flowing coat and good bone structure, sire Orion of Pensford, dam Lecreme Fortezza. Mrs. L. Shepard had a successful day winning the open class kitten with Willowglen Gaity Girl. Her tortie did well but Mrs. M. Robinsons Lambeer Painted Lady beat her. I understand she is very typey and has good bright colour combination which many torties lack to-day. A new breeder, Mrs. C. Chetwynd, has a very promising tortie kitten, Wynmoor Adeen which went up for best in show competing against Mrs. M. Howes blue-cream, Honeymist Mistite another good kitten. The classes for creams had many absent due to them being out of coat. Had they all been there it would have been keen competition.

The list of 1969/70 champion cats has just been published and only two blacks became champions. These are both bred by Mrs. Reynolds who is well known for her blacks. The blues and chinchillas made up the most this year, both made 9. Mrs. Plews blue-cream, Tewhit Pansy Face is now one, the other was Crusaders Anna Marie owned by Mrs. Tomlinson. Five colourpoints two going to Mrs. Hardings breeding. In the other breeds one or two are

listed. The keenest competition has been in the blues and chinchillas with the whites certainly down in numbers.

I heard from Mrs. Burrows that her studs are very busy with visiting queens as are some of the other stud owners. I do feel that some of the blue studs some novice breeders are using, should be carefully watched as they are not all from ALL blue pedigrees. These novices will do experimental breeding with the result that we are getting blues with colourpoint in them, and I have seen a blue with chinchilla in it. The other breed colours are also suffering in the same way. I hope the Council will one day see that these are registered in groups so that people can see at a glance what they come from. I have had some most peculiar breeding queens brought to my studs but I would not allow my studs to be used. All their queens are selected. It is only recently this has come about, which I am afraid is due to an advertisement put in a magazine by a commercial firm who made out that pretty kittens would make money for their owners. As all breeders who are genuine know this is not the case.

The Capital Long-hair Cat Association is holding a party after the A.G.M. on May 8th. It celebrates the first year of it being founded by Mrs. M. Bishop who is very busy with the arrangements. We have had, during the year, some very pleasant meetings and support has been given at most of the shows. We are fortunate in having some lovely trophies and prizes donated by the office bearers and members.

With best wishes to all,

*Elspeth E. Sellat*

#### CFA ANNUAL (Continued)

20. To allow judges to clerk at shows where not officiating. Favorable recommendation.
21. To change smallest catalog size allowable to 5½ x 8½. Favorable recommendation.
22. To provide championship classes for stumpy Manx. Unfavorable recommendation.
23. To require CFA Board to act on all resolutions in accordance with the wishes of annual delegates. Unfavorable recommendation.
24. To provide class for Blue-Cream Point Himalayan. Favorable recommendation.
25. To recognize bi-color ASH. Favorable recommendation.
26. To provide classes for tortie and blue-cream male cats. Unfavorable recommendation.  
To open registration of ASH to cats of unknown parentage. Favorable recommendation. (This resolution resulted in lengthy and heated discussion, and ultimately a roll call vote the result of which was 587 in favor and 286 opposed.)  
To require 3 generation from unknown ASH before allowing to be shown. Unfavorable recommendation.
27. To appoint a committee to analyze regional boundaries. Favorable recommendation.  
To keep 100 grand point requirement (versus 150 effective 1972). Unfavorable recommendation.  
To allow cat to be judged in six rings. Unfavorable recommendation.  
To keep championship requirement at four winners ribbons. (vs six effective 1972). Unfavorable recommendation.

#### Board Member Elections

Elections at this year's CFA Annual Meeting consisted solely of the election of seven board members at large. The CFA officers were elected last year to two year terms. Two of the seven incumbent board members chose not to seek reelection. They were Edna Field and Doris Springer. Of the five incumbents seeking reelection two were unsuccessful. They were Jane Martinke and David Mare. The three who retained their seats through reelection were Betty O'Brien, Roger Sanftner, and Barbara St. Georges. Other candidates who were elected to the four remaining seats were Lillas Bloem, Jeanie McPhee, William Beck, and Rosemonde Peltz. The newly elected board members are hardly without experience. Mrs. Bloem is a past president of CFA and Mrs. McPhee a former regional vice-president. Both have been highly successful breeders of persian cats for many years. Rosemonde Peltz is of course a well know cat geneticist and an M.D. William Beck is a shorthair judge and a breeder of Rex cats. Thus, the CFA board as presently constituted seems to be well balanced with talent. Whether their future decisions and courses of action will instill a confidence among the fancy which some previous boards were at times unable to accomplish remains to be seen. There is certainly a potential which gives rise to great hope.

Next year's annual meeting will be held in Oklahoma City.

# CFA SHOW REPORTS

The following reports are for 1970-71 CFA shows. We have reported the top wins in each show ring (All Breed and Longhair Specialties) and in detail only when these awards were won by a Longhaired cat. The format is as follows; Site of show and date; Judge (AB indicating All Breed); Awards; Name of Cat, Color and Sex, Sire and Dam in Parentheses. For SH wins in AB shows, SH alone is used. If a cat wins several awards in one weekend, only the name will be repeated. When a cat wins at several different shows, full information for that cat is given the first time.

## LETTERS

Dear Editor:

During the past few months many cat organizations are considering reclassifying our so-called Himalayan breed. No two in the same manner!

Several years ago I was a participant in your Himalayan Colloquium. Would you please print my enclosed article. My viewpoint has not changed. This article is also being sent to a few Himalayan organizations. But in my opinion I would like to have it in a Persian publication.

Sincerely,  
 Rose P. Levy

Dear Mrs. Levy,

Here is your article. I expect the Quarterly will hear from breeders with other views. Their comments will be welcome.

The Editor

What is this sudden to-do in many cat organizations concerning the classification of the so called Himalayan cat? If the Himalayan patterned, longhaired Persian type cats were classified, on our continent, as it is all over the world, this inane argument would not exist. This cat in question is just another color of the Persian breed!

All longhaired Persian type of cats are man made, regardless of color. If the Himalayan is considered a hybrid, so should all colors of our Persian cats be called hybrids. The Persian cat has Abyssinian, Angora domestic ancestors in its background. The experiments to create a Persian cat with the Himalayan pattern was started as long ago as 1922 in Sweden by a Dr. K Tjebbes. A few years later Dr. Clyde E. Keeler, a geneticist at Harvard Medical School, and Mrs. Virginia Cobb started out to create a Persian with the Himalayan or colorpoint pattern (both are the same). In 1930 Mrs. Cobb started a long series of experiments to create Persians with this pattern. After World War II, Mrs. Goforth, on this continent and Mr. Stirling Webb of England set out to breed true Persian type cats with the Himalayan pattern. Somehow or other we Americans have lost track of the fact that the attempt was to create a Persian type cat of another color, nothing else. It is not a separate breed. Those who created it did not intend it as such. They wanted it as a Persian type. In fact standards for the Himalayan are identical with those of the Persian.

The breeders of our beautiful cats by unscientifically demanding that they be a separate breed, have only themselves to blame for the miserable muddle in which we find ourselves in reference to the classification of our so-called Himalayans. Let's remember all Persians are man made. If the Himalayan is classified as a hybrid, so should all Persians be classified as hybrids. After nearly 50 years of creating a long haired, Himalayan patterned Persian type cat, and having been successful, isn't it about time we called our cat what it really is - a Persian?

Mrs. Rose P. Levy

Dear Editor:

There is now before congress a bill to halt the seal slaughter S 1315-HR 558. Section 303 will designate the Islands as a national seal rookery and sanctuary.

The foreign countries have permits to hunt which will not be renewed when they expire in 1976.

Please write your congressman and senators to inform them of your support for this bill.

You may also write Senator Harris (Oklahoma) the sponsor of the bill.

Some members of UPS have signed petitions which were reproduced and sent to the proper authorities and this bill is the result.

Sincerely,  
 Gloria Slusarczyk

# FAMOUS LONGHAIRE CATS

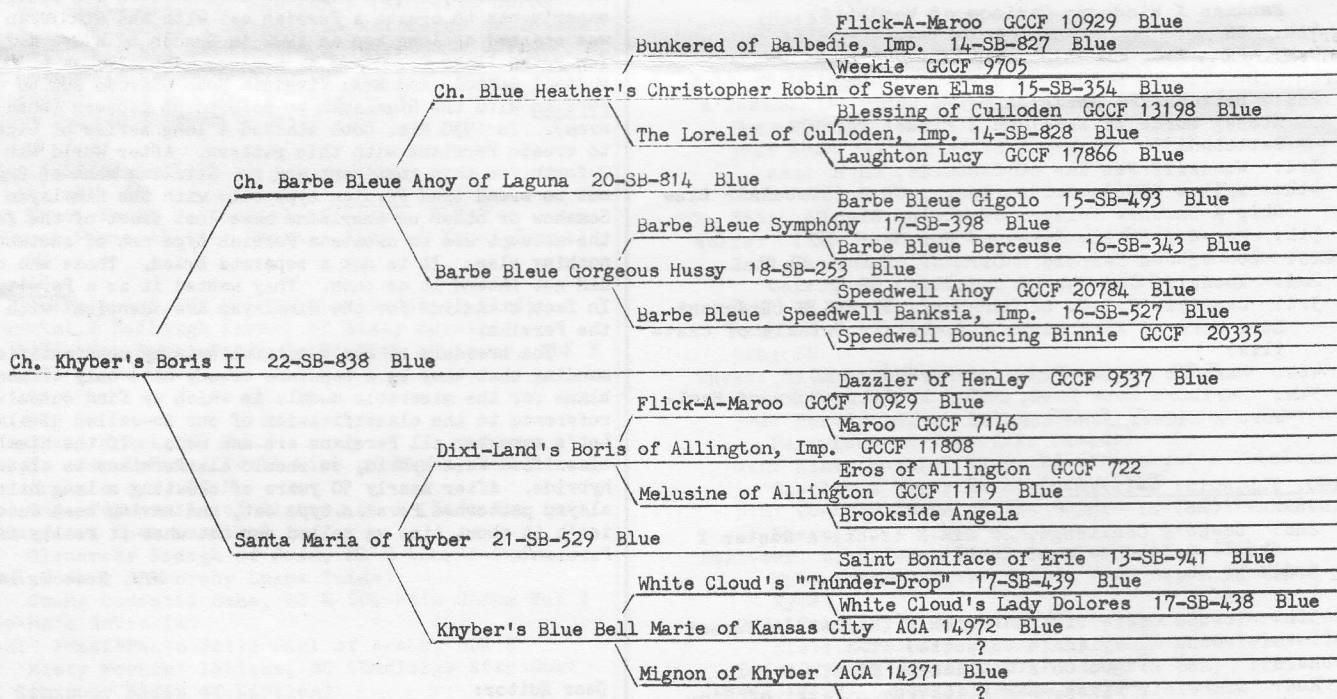

Famous Longhaired Cats is a regular feature of the Quarterly honoring longhaired cats who have made significant contributions to the breed, either through their own accomplishments or through traits passed on in their progeny. Suggestions of cats for future articles are welcome.

Khyber's Boris II... I can't think of another cat who had more influence on present day cats. As famous as he was I have been unable to gather information about him from anyone who knew him first hand. Yet as the Quarterly comes to the end of its days it would be unfortunate not to include such a great cat in the Famous Cat series. So in spite of a lack of information we honor him in this issue.

Boris was born July 10, 1940, a color-bred blue male out of Barbe-Bleue Ahoy of Laguna and Santa Maria of Khyber. His breeder was Miss Delle D. Smith of Bristol, Tennessee. Pictures of Boris seem to be non-existent, though the one on this page was sent by Florence Kemmer and was taken from a 1941 magazine. The quality is not good due to it being reproduced and losing something in the process. Pictures of Boris' offspring are more readily available and through these one is able to see the importance of Boris and the effect which he had on the Persian breed. Dixie-Land Sir Gai of Nor-Mont a son of Boris was Cat of the Year in 1957 and he has been pictured in several publications around that time. The March, 1952 issue of All Pets carries a lovely picture of Khyber's Blue Spruce of Eiderdown, another son of Boris. The great Dixie-Land Montpelier Victor, probably the most notable of the Boris offspring because of his own achievements both as a show cat and an outstanding sire, has been pictured many times in various publications.

Boris was a prolific sire with his offspring going to many catteries around the country thus assuring his influence on the Persian cat of today. My information does not include the date of Boris' passing though it appears he lived to a ripe old age of at least seventeen. If any of the Quarterly readers have additional information to offer on Khyber's Boris II, it will be included in the next issue.

J.F.

## STUD BOOK FANCIERS' ASSOCIATION

When four females, aficionados of a particular hobby, get together something is bound to happen! In 1963 in San Francisco the four present officers of the Stud Book Fanciers' Association met for lunch and a general discussion of the Stud Book situation. We were all ardent tracers and owned a reasonable collection of books amongst us.

What particularly horrified us was that Stud Books were not being published. We were cut off from the later years and, more important, these irreplaceable records were kept in one place where any "Act Nature" might destroy them.

Shortly after this luncheon the Stud Book Fanciers' Association was formed and began to grow though almost all of the advertising was by word of mouth. It was our hope that by de-

monstrating the interest in Stud Books which we were uncovering we might persuade CFA to continue publishing the volumes. Instead of this CFA gave us a starting nest egg and dumped the whole problem in our laps! This occurred at the June Board Meeting in 1965.

All old Stud Books were shipped to us and the sale of these has added to our nest egg. Records for new Stud Books were sent from the Central Office and all that we had to do was edit them, get them printed and then sell them! We have been very fortunate in our sales but are embarrassed at the slowness with which the books appear. After nearly six years we only have four of the newer Stud Books in print! There just never seems to be enough time!

#### STUD BOOK FANCIERS' ASSOCIATION (Continued)

On the plus side is our Library for which Mrs. Warren Wise, Sec.-Treas. of the Association has had to give over a room in her home. There we have copies of almost all of the printed American Stud Books, many originals or copies of British Stud Books, innumerable old pedigrees and Show Catalogs and quite a few old cat books. Members of the Association are very helpful and add to our Library whenever possible.

Another plus is the Reprint Section which we inaugurated last year. There we maintain a Xerox machine and are equipped to furnish copies of the magazine Stud Books, Volumes 16 through 21, at \$31.50 per set. It is our hope that there may be enough calls for the other volumes previous to Volume 31 to make it possible to copy these also. Due to the expense of copying we dare not begin on these until we can see sufficient sales to warrant this rather large undertaking.

Both the Reprint Section and the editing and publishing of the newer Stud Books are one-woman operations. Our only motivations are love of the Fancy and the desire to be of assistance to others who enjoy tracing as much as we do.

Reprints may be ordered from Stud Book Fanciers' Association, 1270 Virginia City Ave., Las Vegas, Nevada 89106. Stud Books may be ordered from Mrs. A. M. Dickie, 747 S. Almansor St., Alhambra, Calif. 91801.

## UPS NEWS

At a recent meeting of the membership of United Persian Society, it was voted to experiment this year with a different type of catalog, for its Sixth Annual all longhair show to be held December 4th and 5th.

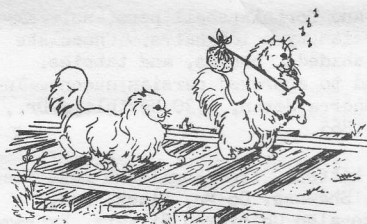

In the past, tho' the UPS catalog was not attractive, it also was a costly item to prepare. For this year's show we plan to have a very simple catalog with no advertisements. It will contain the list of entries, the list of exhibitors, finals sheets and of course all the pertinent information in accordance with CFA rules. No donation will be asked for copies of the catalog. Exhibitors will be given the catalog as they vet in as part and parcel of the services connected with their entry fees. There will be no increase in entry fees.

UPS is happy to announce it will again have the Congress of Specialties conducted by Donna Thompson, an UPS member, new on the staff of CFA judges and a breeder of many notable Persians.

The United Persian Society ring (Barbara Maier officiating) will again present the 24K gold-plated awards which have been so enthusiastically received the past two years. The lucky winners of these awards have acclaimed them the most beautiful and useful trophies they have ever received at any show.

Our trophy Chairman, Mrs. Nancy Dover, 513 Sherman Ave., Evanston, Ill. 60202 is now ready to receive donations of cash or trophies. The 24K gold-plated awards must, for the most part, be purchased each year. Should any of the winners of these awards wish to re-donate them, they will be most gratefully received, as well as cash to be applied toward their purchase, and trophies to be used in the other 3 rings. We urge you to make every effort to get them in early as it would be so nice to have them all listed on the Premium List which will be mailed with the flier. UPS thanks all donors for their wonderful generosity in years past and for the cooperation we know we will receive this year. It is most gratifying to know that UPS members extend themselves in every way to make the United Persian Society all longhair show one of the outstanding shows of the season.
